gripSTIK® MAX-Flex® 3/4” Bullnose Archway

GripSTIK® MAX-Flex® 3/4” Bullnose Splay unique design allows for maximum flexibility allowing it to conform to almost any radius creating a smooth, rounded look to drywall corners. This easy-to-install 90° angle corner support can be nailed, stapled or applied with spray adhesive. The specially knurled and perforated flanges allow excellent joint compound adhesion. No mud additives or priming are needed prior to painting. Phillips bead is dent resistant, won’t rust and easy to cut with shears, knife or fine-tooth hacksaw.

**Product Data and Ordering Information**

| Material: | Extruded rigid vinyl; contains no asbestos |
| Dimensions: | 7/8” leg x 7/8” leg, 3/4” radius |
| Part Number: | BA3VYL |
